We are looking for a match for my elder brother, and I'm writing on behalf of our parents. We are Tamil Brahmin - Iyer (vadama) family. My father was born and brought up in Kerala, mother from Tamil Nadu and we were brought up in Kolkata. But now we are all settled in Chennai. I'm his younger sister, married and well settled in Muscat, Oman. My brother was in Australia for 6 years. We are a close knit family and quite broad minded. He is fair, good looking and well built. He is a teetotaler and has no bad habits. He is very soft-natured and ambitious in life. His major interests are music, electronics, general reading and collecting e-books. He is currently working in Phillipines but will return to Chennai in a year and a half. Our father had taken VRS when he was DCFM (Deputy Chief Finance Manager) at SAIL, Kolkata. Our paternal relatives are all based in Kerala, and maternal relatives in Tamil Nadu. Our mother in an excellent home-maker and keeps herself occupied with music and art. My brother is looking for a simple girl, well-mannered and above 5 ft 3 inches tall. Kindly contact my parents at 044-42070805 in case of further clarifications.
